Celebrating 50 years of service, Sundown M Ranch was established on March 4, 1968 as the first non-profit alcoholism treatment program in Washington State. The program is designed for the treatment of persons afflicted with a substance use disorder. Every Sundown staff member is guided by our motto: "The Patient is the Reason We are Here." Sundown M Ranch treatment programs include residential services for adults and adolescents and is licensed by the State of Washington Department of Health, certified by the Division of Behavioral Health and Recovery and accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF).

The Change Companies is a national publishing, training, consulting and media company specializing in behavior change. We develop evidence-based, cost-effective programming resources, treatment curricula and clinical tools that help addiction treatment and other behavioral health professionals provide the highest quality of care. Our treatment program curricula are delivered through the nationally recognized practice of Interactive Journaling, a structured and experiential writing process that motivates and guides participants toward positive life change. To date, Interactive Journaling has been provided to over 25 million individuals.

The Foundry provides an opportunity for lasting recovery through an integrative body, mind and spirit treatment program. Comfortably located in the majestic Rocky Mountains, The Foundry provides a safe and natural setting that encourages instinctive growth for the individual as they forge a new life in their own vision.

Accreditation provides an external validation of the quality and safety your organization provides. It is a visible symbol of your organization's dedication to high standards. Recognized and respected across health care, Joint Commission accreditation can uniquely position your addiction treatment program as a quality-oriented partner with families, referral sources, partners, investors and payers.

The Rose House Colorado

BOOTH 305

(888) 398.4111
Colorado

While "gender specific groups" have long been considered a "best practice" in the recovery field, few programs capitalize on the power of men changing men as we do at The Last Resort Recovery Center. Our residential addiction treatment center in Smithville, TX offers 45-90 programs for men suffering from addiction.

The Recovery Team is a clinical treatment program built to help those who are addicted to alcohol and drugs, as well as those with co-occurring mental health disorders, gain their freedom and recover. Because addiction is a disease that affects the entire family, we also offer a program created just for them, Family Weekends. Restoring lives, reuniting families, bringing lasting freedom, hope and meaning to those whose lives have been shattered by addiction. That's our mission.

The Retreat provides a full continuum of non-clinical, supportive, educational programs & services grounded in the 12-Step Principles of Alcoholics Anonymous. Supported by a strong community of volunteers and staff, The Retreat has made access and affordability a top priority providing 30-90 day Residential, Non-residential Evening Programs, Older Adult Day Program, Family & Youth Programs as well as long-term Sober-living Residences. We also offer online recovery services at myRecovery.com

The Rose House is an extended care licensed residential addiction treatment facility for women. We explore and treat underlying issues that may be contributing to substance abuse, such as depression, anxiety, trauma, and personality disorders. Our mission is to provide evidence-based, dual diagnosis integrative treatment, delivered by a compassionate staff within a dynamic community of recovery. Women get better at The Rose House.
